Ms. [REDACTED]

I am the chief attorney of a criminal investigation in Mexico of more than 20 individuals tied together in a cooperative destructive network. These individuals, including yourself, have been acting against individuals who participate in the NXIVM corporation community.

You are currently connected to several criminal investigations involving fraud, coercion, extortion, harassment, stalking, theft, larceny, hate crime, criminal conspiracy, breaking and entering, computer crimes, wire fraud, criminal enterprise, and corporate espionage.

I strongly suggest that you cease and desist, undo, reverse, cancel, and retract, participation in all past, present, and future, conversations, conference calls, meetings, news media, social media, blogs, or websites, relating to this subject matter until the criminal matters are resolved. You should do everything in your power to affect this.

Your best course of action to minimize your exposure, in addition to the above, is to repair all damages to parties you have acted against, reconciling with them, and fully cooperating with the criminal investigations. In this regard, I can help you for I represent some of your victims and have access to others.

I know that people in the media (and also bloggers and the like) can be coercive, abusive in their power, and force unwitting, uninformed, participants to complicate situations and potentially even waive rights. You still have the ability to pull away from all participation with these people.

Please contact me as soon as possible,
